Two Years' Use Allowed Without Charge.

50 Organs to Select From

In spite of the fact that we sold 57 slightly used second-hand organs during the month of June, we find that organs are coming in faster again than we can sell them, and we, therefore, again renew our offer, whereby anyone in the state is enabled to secure a good instrument on exceptionally easy payments. Every organ here offered has been carefully renovated and is practically a new instrument and is guaranteed in every respect. Prices are practically cut squarely in two, and you can take your choice of the large assortment. Pay \$5 or \$10 down and \$3 or \$4 a month. At any time within two years from date of your purchase we will accept your organ toward part payment of a new piano, and allow you everything that you have paid for the organ. In other words, we will give you two years' use of the organ free, ample time in which to learn to play, then you get a brand-new piano a selection from the finest stock on the Pacific coast. SAILORS HAVE SERIOUS RIOT

Indulge too freely in Stimulants They Cause Bloody Fight.

NEW YORK, Aug. 25.—Several sailors, who are said to have been indulging too freely in stimulants, have caused a fight on Charles W. C. Green's yacht, the Alcedo, from Philadelphia, which amounted almost to rioting, says a Halifax dispatch to the Herald. Several members of the crew became intoxicated and began smashing things on board. The captain called in a policeman, but he was powerless. Reinforcements were called, and when they arrived, the sailor who was the principal cause of the trouble retreated down a hatchway. The policemen closed with him, and after putting irons on him, brought him to the deck. Then they started to handcuff another sailor. Meanwhile, the prisoner snapped the handcuffs apparently as easily as if they were made of twine. The two prisoners were finally taken to the station, but during the scuffle the policemen had their helmets broken and got many cuts. The prisoners were paid off by the captain and they will be arraigned in court.

Carelessness or Nervousness?

It all happened in a moment. Her hair caught in the belt and swiftly wound about the shafting. Her cries were echoed by the screams of her frightened mill-mates. Then the machinery was stopped and the terrified and injured woman was released. "It was carelessness," said the foreman to a reporter, "pure carelessness." But the doctor said it was not carelessness but nervousness. It was a case of a woman working when she was not fit to work, her nerves quivering to the shock and jar of the machinery, her brain dazed by the struggle with suffering.

Men so seldom suffer with nervousness that they have small sympathy for a nervous woman. They look upon nervous attacks as just a woman's notion, and often as only an excuse for ill-humor.

The very fact that nervousness afflicts women, chiefly, points to its cause as being related to the female organism. And the facts prove that disease of the delicate womanly organism is the most fruitful cause of the nervousness from which so many women suffer. Uterine and ovarian diseases, unhealthy drains, inflammation, ulceration and female weakness; such womanly diseases in one form or another are in general responsible for the nervousness of women.

The only way to cure this nervousness is to cure the diseases that cause it. There are powders and potions, so-called "nervines," which are offered as a remedy for nervousness. They may relieve, but they cannot cure. Even the relief they give is dangerous, because it is produced by stimulants or nerve-numbing narcotics. Some men are said to "drown their troubles in liquor." The liquor does not lighten their load of trouble by one iota. It simply stupefies them until the dull brain is rendered for a time insensible to cares and worries. The use of stimulants or narcotics by nervous women has the same result as the use of alcohol by men. It only dulls and deadens the nerves for a time.

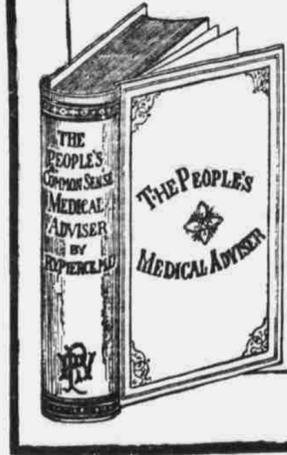

Dr. Pierce's Favorite Prescription cures nervousness by curing the womanly diseases which cause it. It is a true tonic and nerve, because it nourishes the nerves and strengthens the body. There is no alcohol in "Favorite Prescription," and it is entirely free from opium, cocaine and all other narcotics. Weak, nervous, overworked, run-down women will find new health and strength from the use of Dr. Pierce's Favorite Prescription.

"It affords me great pleasure to be able to say a few words in regard to the merits of Dr. Pierce's Favorite Prescription and his 'Golden Medical Discovery,'" writes Mrs. Flora Ann, of Dallas, Jackson Co., Mo. "I was tempted to try these medicines after seeing the effect upon my mother. At an early age of married life I was greatly bothered with painful periods, also a troublesome drain which rendered me very weak and unfit for work of any kind. I became so thin there was nothing left of me but skin and bone. My husband became alarmed and got me a bottle of 'Favorite Prescription.' After he saw the wonderful effects of that one he got me two more, and after I had used those up there was no more pain, and I began to gain in flesh very rapidly. When I was out driving with my mother the horse took fright and ran away. My mother got badly hurt. Later on blood-poison set in and she died. After her death I was so nervous I sometimes thought I could not live from one day until the next; would get so faint I thought I would die. I had awful pains in my back and head; was dizzy all the time; could not sleep at night, and the least noise would almost scare me to death. Our doctor tried to cure me but failed. So one day I sat down and wrote to Dr. Pierce, stating my case as clearly as I could. I received a prompt reply from him, and I bought three bottles of 'Favorite Prescription,' three of 'Golden Medical Discovery,' and one bottle of Dr. Pierce's Pleasant Pellets. You may be sure after I took that I began to feel like a new person. I began to eat once more, and now, I cannot say positively but I believe, I weigh twice as much as I did then, and can do all of my work. I think I owe all praise to Dr. Pierce and his wonderful curative medicines."

What Dr. Pierce's Favorite Prescription did for Mrs. Ann, it has done for thousands of other women. From weak women, reduced in flesh until they were only "skin and bone," it has changed them to strong women, whose gain in healthy flesh speaks for the soundness of their cure and their restoration to perfect health. Sometimes a cynical person will say a woman's ailments are just imaginary. There's nothing imaginary about the loss of flesh which so often accompanies nervousness and womanly diseases. Nor is there anything imaginary about the cures effected by "Favorite Prescription," cures that can be figured up in ounces and pounds.

"In the fall of 1897, I was troubled with nervousness, headache, heart trouble and female weakness," writes Miss Blanche M. Tracey, of Sala, Oswego County, N. Y. "Last summer I wrote you and you advised me to try your 'Favorite Prescription' and 'Golden Medical Discovery.' I did so, and I began to improve rapidly. Continued taking the medicine, half-a-dozen each of 'Favorite Prescription' and 'Golden Medical Discovery,' for the space of four or five months, and in less than a year had regained my former health. You have my heartfelt thanks for what your remedies have done for me. I am in excellent health now, but am still using your 'Pleasant Pellets.'"

Dr. Pierce's Favorite Prescription establishes regularity, dries weakening drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well. Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.
